Re: Assurance Home Phone Services, Inc.
Case No. 2010-00235

Dear Sir or Madam:

Enclosed please find an original and five (5) copies of Assurance Home Phone Service, Inc.'s (the "Company") request to cancel their designation as a Eligible Telecommunications Carrier on a wireline basis in the Commonwealth of Kentucky. The Company would also request to cancel their Certificate of Public Convenience and Necessity.

This request is based upon the fact that the Company has yet to provide wireline telecommunications services in the Commonwealth of Kentucky. The Company currently has no customers and asserts that the voluntary discontinuance of its designation will have no adverse impact upon consumers.

I have also enclosed an extra copy of this letter to be date stamped and returned to me in the enclosed, self-addressed, postage prepaid envelope. If you have any questions or if I may provide you with any additional information, please don't hesitate to call my office and speak with Tina Allen, Compliance Manager, at her direct line 352-233-2717 or via email at tallen@telecomservicebureau.com.

Respectfully submitted,

Gary Wayne Birch
President
