Dear Mr. Withers,

This letter is to inform you that the City of Versailles has, on this day, filed a rate increase request with the Kentucky Public Service Commission to take effect July 1, 2013.

The new rate that we are proposing is to compensate the City for the Kentucky River Authority's (KRA) withdraw fee increase that also takes effect on July 1, 2013. This action was taken by the KRA at its March 6, 2013 meeting (see attached).

As always, we appreciate your business and look forward to continue working with you. If we can be of any assistance, please feel free to contact me.

Sincerely,

Bart Miller  
Public Works Director

Water Users

Dear Whom it May Concern:

The Kentucky River Authority, at its meeting of March 6, 2013, passed a resolution to increase Tier II water user fee to 13 cents per thousand gallons. The new rate will be effective July 1, 2013 and appear on fee billings issued August 1, 2013. This rate increase is necessary to finance reconstruction of the dams providing your water supply from the Kentucky River. Specifically this increase will finance reconstruction of Dam 8 at Jessamine County, renovate Lock 1 at Carrollton, renovate Lock 2 at Henry County and the Design of Dam 10 at Richmond. The Tier I fee will remain at the current level of 2.2 cents per thousand gallons.

Please take such actions as necessary, in preparation for the new level of fee assessments or call with any questions regarding this matter.

Sincerely,

Jerry Graves  
Executive Director
