Re: In the Matter of Harold Barker, Ann Barker and Brooks Barker v.
East Kentucky Power Cooperative, Inc. ("EKPC"); PSC Case No. 2013-00291

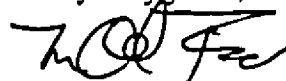

Dear Mr. Beyer:

I am in receipt of the May 27, 2014 letter from counsel for East Kentucky Power Cooperative, Inc. ("EKPC") to the Public Service Commission requesting a copy of any records related to Commission Staff's inspection of EKPC's transmission line across the Barkers' property. I hereby request that a copy of any such documents provided to EKPC be sent to the undersigned as the Barkers' counsel as well.

Additionally, the Barkers wish to clarify the assertion in Mr. Samford's letter that the Barkers "requested" Commission Staff to perform an inspection of the subject line. To the contrary, the idea of performing an inspection originated with the Commission rather than the Barkers.

Thank you for your consideration of these matters.

Very truly yours,

M. Alex Rowady
