**FROM:** Edward Bryant, Cave Run Water Commission Chairperson

**RE:** Delay of Cave Run Water Commission Rate Increase

After careful discussion at the September 26, 2013 meeting of the Cave Run Water Commission, it has been decided to delay the effective date of the rate increase. The rate increase of \$0.25 will go into effect on December 23, 2013. This rate increase will be reflected on your February 10, 2014 billing cycle. Please disregard the previous invoices that were sent out for the October 10, 2013 billing cycle. Any payments that have already been made will be marked "VOID" and sent back. A new invoice is included with this memo.

If you have any questions or need any further information, please do not hesitate to contact me or Jeff Fultz. Thank you for your service to the people of our area through the Cave Run Water Commission.
