**RE: Notice of Blue Jay Wireless, LLC's Wireless Plans for Kentucky Customers**

Dear Mr. DeRouen:

In its May 19, 2014 Order in Case No. 2013-00377 ("Blue Jay ETC Order"), the Kentucky Public Service Commission designated Blue Jay Wireless, LLC ("Blue Jay") as an Eligible Telecommunications Carrier for the purpose of serving low-income customers eligible to participate in the federal and Kentucky state Lifeline programs. As required by the Order, Blue Jay hereby submits to the Commission its "unique plan designed for Kentucky Lifeline subscribers that is commensurate with the amount of support provided by the Kentucky USF." *Blue Jay ETC Order* at 11. The details of the plan are as follows:

**Lifeline Free Plan 350.** Each month the customer will receive 350 free anytime voice minutes.<sup>1</sup> Text messaging will be assessed at a rate of 1 minute per text message for sending and 1 minute per text message for receiving text messages. There are no rollover minutes with this plan. Unused minutes will expire each month on the service expiration date. This plan is only available to Kentucky residents eligible for the Lifeline programs.

Retail Rate .....	\$ 12.75
Lifeline Credit .....	\$ 9.25

<sup>1</sup> This Kentucky plan is an enhanced plan compared to Blue Jay's standard Lifeline plan that offers 250 minutes of service for free to eligible low-income customers in other states.
