Enclosed is an original and 10 copies of an application for a purchased water rate adjustment and the signed resolution for Jessamine South Elkhorn Water District. The adjustment is necessary to recover an increase in the cost of water attributable to our suppliers' new wholesale rates.

The District will publish the enclosed public notice of the requested rate revisions in the local newspaper. In accordance with PSC rules and regulations, the notice will be published before the new bills are issued and will be published one time. A copy of the newspaper notice and an affidavit verifying publication will be forwarded to you upon publication.

The District has previously filed income statements and balance sheets with the Public Service Commission. These income statements and balance sheets are currently on file with the Commission.
