Re: In the Matter of: Joint Application of Kenergy Corp. and Big Rivers Electric Corporation for Approval of Contracts and for a Declaratory Order; Case No. 2013-00413

Dear Mr. Derouen:

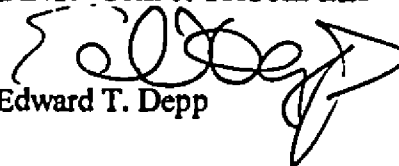

With this letter I am enclosing (i) one (1) original and ten (10) copies of Big Rivers Electric Corporation's response to the data request made during the January 6, 2014 hearing in this matter related to the "recorded conversation between representatives of Big Rivers and MISO during which MISO asked Big Rivers to curtail approximately 30MW of the Century Hawesville load on or about October 10, 2013"; and (ii) two (2) electronic copies of the attachment to the response.

We are only providing two copies of the attachment because we were only able to locate a limited number of flash drives in the short timeframe between the request and our response.

Thank you, and if you have any questions, please call me.

Sincerely,

DINSMORE & SHOHL LLP
