

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

CEDARBROOK WASTEWATER TREATMENT ) CASE NO.  
PLANT REQUEST TO CEASE OPERATIONS ) 2014-00091

ORDER

On March 31, 2014, the Commission issued an Order initiating an investigation into the request of R.A. Williams Construction Co. d/b/a Cedarbrook Treatment Plant ("Cedarbrook") to abandon its facilities. With that Order, the Commission issued certain requests for information to Cedarbrook set forth in Appendix B to be answered within 14 days. On April 21, 2014, the Commission granted Cedarbrook's request for an extension of time, up to and including June 13, 2014, to respond to the requests for information.

On June 16, 2014, Cedarbrook submitted notice of its intent to withdraw its request to abandon. This request was later amended to request holding this matter in abeyance pending future developments with the then-proposed creation of the Harrison County Sanitation District.

On January 14, 2015, an informal conference was held at the Commission's offices for the purpose of discussing the status of this case. In the course of the conference, Cedarbrook's owner expressed his desire to transfer or abandon the system within the near future and articulated a disinclination to continuing operation of the system until the fall of 2015, when the Harrison County Sanitation District, which

was formed in late 2014 for the purpose of taking over Cedarbrook, may consider taking over the system.<sup>1</sup>

Based on Cedarbrook's recent statement that it desires to transfer or abandon the system in the near future, the Commission finds that a procedural schedule should be established for the orderly disposition of this matter and that Cedarbrook's motion to withdraw or in the alternative to hold this case in abeyance should be denied.

IT IS THEREFORE ORDERED that:

1. Cedarbrook's motion to withdraw is denied without prejudice.
2. Cedarbrook's motion to hold this matter in abeyance is denied without prejudice.
3. The procedural schedule set forth in the Appendix to this Order shall be followed in this proceeding.
4. a. Responses to requests for information shall be appropriately bound, tabbed and indexed and shall include the name of the witness responsible for responding to the questions related to the information provided, with copies to all parties of record and ten copies to the Commission.  
  
b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

<sup>1</sup> Inter-Agency Memorandum dated Jan. 20, 2015.

c. Any party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

e. A party filing a paper containing personal information shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

5. Motions for extensions of time with respect to the procedural schedule shall be made in writing and will be granted only upon a showing of good cause.
