In the Matter of:

APPLICATION OF KENTUCKY UTILITIES)	
COMPANY FOR A CERTIFICATE OF PUBLIC)	CASE NO.
CONVENIENCE AND NECESSITY)	2014-00296
AUTHORIZING KU TO BID ON FRANCHISE)	
ESTABLISHED BY THE CITY OF PINEVILLE)	

ORDER

On August 22, 2014, Kentucky Utilities Company (“KU”) filed its application with the Commission seeking a Certificate of Public Convenience and Necessity to qualify it to bid on a franchise for electric distribution service offered by the city of Pineville, Kentucky. Under the provisions of KRS 278.020(4), no utility may apply for a franchise from any governmental agency until it has obtained a Certificate of Public Convenience and Necessity from this Commission, based on our finding that there is a need and demand for the service sought to be rendered.

In light of the city of Pineville’s ordinance creating an electricity distribution franchise, the Commission determines that there is evidence of a need and demand for electricity distribution service in the above-mentioned city. Since the Commission’s authority in such matters is limited by statute to finding only whether there is a need and demand for the service sought to be rendered, no finding or determination is made as to the qualifications of the bidder, the validity of any of the provisions of the franchises offered by said city, or the manner in which any franchise fees are to be treated for rate purposes.

IT IS THEREFORE ORDERED that:

1. KU is granted a Certificate of Public Convenience and Necessity that authorizes it to bid on a franchise for electricity distribution service offered by the city of Pineville, Kentucky.

2. If KU is not the successful bidder, KU shall, within ten days of the award of the franchises at issue, file with the Commission a written notice stating that KU was not the successful bidder.

3. If KU is the successful bidder, KU shall, within ten days of the award of the franchises at issue, file with the Commission a copy of the executed franchise agreement and a statement disclosing the amount of the initial franchise fees.

4. If KU is the successful bidder, KU shall, within ten days of an increase or decrease in the amount of the initial franchise fees set forth in the franchise agreement, file with the Commission documentation setting forth the revised fees.

5. Any documents filed pursuant to ordering paragraphs 2, 3, or 4 of this Order shall reference the number of this case and shall be electronically submitted via the Commission's electronic Tariff Filing System.

6. This Order shall not be construed as granting a Certificate of Public Convenience and Necessity to construct utility facilities in said city.
