

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

REQUEST TO FILL VACANCIES ON WESTERN)	CASE NO.
PULASKI COUNTY WATER DISTRICT BOARD)	2014-00406
OF COMMISSIONERS)	

ORDER

Don Calder, Chairperson of Western Pulaski County Water District's ("Western Pulaski District") Board of Commissioners, has advised the Commission in writing of the existence of two vacancies on Western Pulaski District's Board of Commissioners due to the expiration of his term and that of Teddy Roberts; has requested that the Commission fill the vacancies; and has proposed that he and Mr. Roberts be reappointed. A copy of Mr. Calder's letter is attached as Appendix A.

Commission records indicate that the terms of Don Calder and Teddy Roberts ended on July 11, 2014.¹ Commission records also indicate that the term of Joel Wilson expired on October 4, 2014.² Commission records do not reflect the appointment of any successors upon the expiration of their terms.³

KRS 74.020(4), which addresses the appointment of members to the boards of commissioners of water districts, states:

¹ Annual Report of Western Pulaski District to the Kentucky Public Service Commission for the Year Ended December 31, 2013 at 6.

² *Id.*

³ KRS 74.020(9) requires water districts to report to the Commission all vacancies resulting from the expiration of a term or the death, resignation, or removal of the incumbent and all appointments within 30 days of the appointment or the occurrence of the vacancy.

Vacancies shall be filled by the same appointing authority which is empowered to make the original appointment. Vacancies resulting from cause other than expiration of the term shall be filled for the unexpired term only. Notwithstanding the provisions of KRS 67.710, a vacancy resulting from the expiration of a term or the death, resignation, or removal of the incumbent shall be filled by the Public Service Commission if, within ninety (90) days following the vacancy, the vacancy has not been filled by the appropriate county judge/executive with approval of the fiscal court.

The Commission finds that a proceeding should be initiated to consider the request to appoint two Water District Commissioners for the terms that expired on July 11, 2014. The Commission also finds that Mr. Calder should submit any nominations to fill the vacancies as set forth in Ordering Paragraph 3 below. The Commission also finds that less than ninety days have passed since Joel Wilson's term expired; therefore, jurisdiction to fill the expired term of this member of Western Pulaski District's Board of Commissioners remains with the Pulaski County Judge/Executive. If more than 90 days pass following the expiration of Joel Wilson's term, jurisdiction to fill this vacancy will lie with the Commission.

IT IS THEREFORE ORDERED that:

1. This proceeding is initiated to fill existing vacancies on Western Pulaski District's Board of Commissioners due to the expiration of two terms on July 11, 2014.
2. Western Pulaski Water District is made a party to this proceeding.
3. Anyone who wishes to nominate a person to fill one of the two vacancies shall submit such nomination to the Commission in writing within 20 days of the date of this Order.

4. Nominated persons shall file with the Commission an original and ten copies of the information listed in Appendix B. He or she shall also serve a copy on the Pulaski County Judge/Executive, the Pulaski County Judge/Executive elect, and Western Pulaski District. The failure to file the requested information within 20 days of nomination shall be considered as notice of no interest in being considered for appointment to Western Pulaski District's Board of Commissioners.

5. The Commission shall serve a copy of this Order upon the Pulaski County Judge/Executive and the Pulaski County Judge/Executive elect.

By the Commission

Dear Sir:

It has come to my attention that the terms have expired for (two) 2 board members of the district. I do understand that considering the time that has lapsed, the Public Service Commission will need to have a public hearing for the appointment of any new board members. On behalf of Western Pulaski County Water District, I am asking the consideration of the current members, Chairman Don Calder and Commissioner Teddy Roberts be re-appointed to the board of directors. Mr. Calder and Mr. Roberts have each served several terms with the district and have been a great asset to the district. Both Mr. Calder and Mr. Roberts are concerned for the best interest of the district and the district customers. I am asking that you please inform the district on the decision of the PSC. I appreciate your help in this matter.

Thank You,

Don Calder, Chairman
