Re: Bronston Water Association
Water Line Replacements & 200K Water Storage Tank Replacement
PSC Case No. 2014-00029

Mr. Wakim,

Please be advised that the plan sheets for the above-referenced project that were sent to Mr. Jeff Derouen, Executive Director, on February 7, 2014 did not include two plan sheets. To justify for the pipe quantities addressed in the application, attached are the two plan sheets (5 & 6; Colyer Road) that were inadvertently left out of the plans previously sent. In addition, please note that Plan Sheet 5 (water line to tank) that was previously sent should be numbered Plan Sheet 7 in lieu of 5 (see attached).

Should you have any questions or need additional information, please advise.

Deron S. Byrne, P.E.
