RE: Purchased Water Adjustment

Dear Mr. Derouen:

2014-0031

Ledbetter Water District hereby requests approval for a Purchased Water Adjustment. Pursuant to Case number 2012-00390, Crittenden-Livingston Water District has raised the rate that it charges us for water. The old rate was \$2.34 per thousand gallons, and the new rate is \$2.46. Attached are the application form for the requested PWA, and a revised tariff rate sheet. Also attached is the notice from Crittenden-Livingston regarding the rate increase.

Ledbetter Water District will publish notice of the rate increase, according to PSC regulation, one time prior to rendering bills at the new rate.. An affidavit from the publisher will be provided to the PSC when available. Attached is a copy of the proposed public notice of Ledbetter's PWA.

During the twelve month period from January 1, 2013 to December 31, 2013 Ledbetter Water District purchased 37,001,010 gallons of water from Crittenden-Livingston Water District. During the same period Ledbetter also produced 48,302,700 gallons. Water sales to customers during the period were 59,678,643 gallons.

The PWA factor calculates to 0.0744. In order to recover the full cost of the purchased water increase the PWA factor was rounded to 0.08. If you need more information please contact us.

Sincerely,

Billy Downs
District Manager
