**APPLICANT'S MOTION FOR SEVEN DAY EXTENSION OF TIME TO RESPOND TO
APPALACHIAN WIRELESS MOTION TO INTERVENE**

Applicant New Cingular Wireless PCS LLC ("AT&T Mobility"), by counsel, makes a Motion for a Seven Day Extension of Time to respond to the Motion to intervene of Appalachian Wireless in the within proceeding. In support of this Motion, AT&T Mobility respectfully provides and states the following information:

1. East Kentucky Network, LLC d/b/a Appalachian Wireless ("Appalachian Wireless") has filed a Motion to Intervene in this proceeding as received by the Kentucky Public Service Commission on or about May 19, 2014 and has filed companion Motions to Intervene in several other AT&T Mobility cases for proposed tower sites at different locations in various counties.

2. 807 K.A.R. 5:001 requires "unless the Commission orders otherwise" that AT&T Mobility file any Response to such Motion "... no later than seven (7) days from the date of filing of a motion."

3. AT&T Mobility requests a seven day extension of time through June 2, 2014 to

respond in writing to such Motion to Intervene, because of: (a) the complexity of the issues to be addressed, (b) that multiple tower sites are involved in companion Motions to Intervene, (c) because of AT&T Mobility's intent to present certain factual evidence in response in addition to legal argument, and (d) that the Memorial Day Holiday Weekend falls in the original seven (7) day period.

4. AT&T Mobility maintains that it having sufficient opportunity to prepare and file a thorough Response to the Motion to Intervene will allow the Commission and its Staff to be better informed on the relevant issues in advance of any Informal Conference which is scheduled. Also, AT&T Mobility recognizes 807 K.A.R. 5:001 would allow Appalachian Wireless five days to file a Reply to the Response. Having the record appropriately developed prior to an Informal Conference on the issues is in the interest of all parties as well as the public interest.

5. AT&T Mobility timely files this Motion in advance of expiration of the original seven day deadline for a Response pursuant to 807 K.A.R. 5:001.

WHEREFORE, Applicant respectfully requests the Kentucky Public Service Commission:

- (a) accept this Motion for filing;
- (b) grant the requested Seven Day extension of time through June 2, 2014 for Response to the Appalachian Wireless Motion to Intervene;
- (e) to grant Applicant any other relief to which it is entitled.
