INTRA-AGENCY MEMORANDUM
KENTUCKY PUBLIC SERVICE COMMISSION

TO: Case File – Case No. 2014-00136
FROM: Jonathan Beyer, Staff Attorney
DATE: April 25, 2014
RE: Informal Conference of April 23, 2014

Pursuant to the Commission's April 21, 2014 Order, a telephonic conference call was held in this matter on April 23, 2014. Attending the conference were the following:

Eric Young	-	Lovellaceville Water Company
Jonathan Beyer	-	Commission Staff
Andrew Melnykovich	-	Commission Staff
George Wakim	-	Commission Staff

Beginning the conference, Mr. Beyer inquired whether public notice of the proposed abandonment had been provided and whether notice of a public meeting in this matter could be mailed. Mr. Beyer proposed holding a public meeting on May 12, 2014. Mr. Young stated that notice has not yet been sent, but the necessary information can be sent with the monthly bills which are typically mailed on the first of the month. Mr. Melnykovich explained the Commission's general practice in regard to informational public meetings and indicated Staff would make the arrangements for the meeting. Mr. Beyer agreed to provide the pertinent details for the public notice of the abandonment and public meeting.

Mr. Melnykovich inquired into the likelihood of any nearby water system acquiring Lovellaceville Water Company ("Lovellaceville"). Mr. Young stated that West McCracken Water District is the nearest system, but it has not expressed any interest in acquiring Lovellaceville. Mr. Young stated, in response to Mr. Beyer, that other individuals in the City of Lovellaceville vicinity utilize private water wells. Mr. Wakim questioned the physical composition of the system and Mr. Young stated that the system is comprised of approximately two miles of 2" pipe, which may not be able to support sufficient pressure should another utility attempt to connect to the system. Finally, Mr. Beyer explained the procedural process for this matter and noted that should a formal hearing be held, Lovellaceville would be required to retain legal counsel.

Finding that no party had any further questions, the conference was adjourned.
