7 THE 2014 INTEGRATED RESOURCE PLAN OF ) CASE NO. 2014-00166

10  
11 **MOTION FOR DEVIATION**  
12

13 Pursuant to 807 KAR 5:001 Section 22, Big Rivers Electric Corporation (“Big Rivers”)

14 hereby moves the Kentucky Public Service Commission (the “Commission”) for deviation from:

15 the requirements in 807 KAR 5:001 Section 13 that Big Rivers file one hardcopy of material

16 containing confidential information and ten redacted hardcopies of that material, and that Big

17 Rivers serve each party with a redacted hardcopy of that material. In support of this motion, Big

18 Rivers states as follows.

19 Big Rivers filed Appendix H to its 2014 Integrated Resource Plan pursuant to a petition

20 for confidential treatment. By order dated August 26, 2014, the Commission granted in part and

21 denied in part that petition for confidential treatment with respect to Appendix H. The

22 Commission also directed Big Rivers to re-file Appendix H to reflect the redaction of

23 information determined in the order to be confidential and to reflect as unredacted information

24 for which the order denied confidential treatment.

25 Big Rivers is filing with this motion a CD containing an electronic copy of the

26 confidential version of a revised Appendix H and is serving a copy of the CD containing the

27 confidential version of revised Appendix H on each party that has signed a confidentiality

28 agreement. Big Rivers is also filing an original and ten copies of a CD containing an electronic,

29 redacted version of revised Appendix H and is serving a copy of the electronic, redacted version

1 of revised Appendix H on each party. The confidential and redacted versions of revised  
2 Appendix H have been produced electronically because if printed, the confidential version would  
3 be approximately 348 pages and the redacted version would be approximately 460 pages, and  
4 they would overburden the paper record in this matter.

5 WHEREFORE, Big Rivers respectfully requests that the Commission enter an order  
6 granting Big Rivers a deviation from 807 KAR 5:001 Section 13 to: (i) produce the confidential  
7 version of revised Appendix H in electronic format rather than in hardcopy; (ii) produce the  
8 redacted version of revised Appendix H in electronic format rather than in hardcopy; and (iii) to  
9 serve each party with the redacted version of revised Appendix in electronic format rather than in  
10 hardcopy.

11 On this the 2<sup>nd</sup> day of September, 2014.

12 Respectfully submitted,
