PETITION FOR RATE HIKE RE-CONSIDERATION

July 4, 2014

To Whom It May Concern;

We the Residents of Airview Estates are protesting the 47.6% Rate Increase of (\$13.00) on our sewage bills.

We are already paying enough for no more than we are getting from AIRVIEW UTILITIES LLC.

There are sewage problems, and we get absolutely NO help from these people when we call. Usually we get an answering machine, in which you leave a message and it goes unanswered. Almost every time it rains 98 % of the residents with basements must call in a plumber, because of the sewage backing up in their basements, back yards and bathroom tubs. One family almost lost their child due to the drain in their bathroom not draining properly, (the child had a near drowning experience and had to be in the ICU at Kosair's Children's Hospital in Louisville KY. (117 Hickory Hill Drive)).

At the present time these people are just taking our money and we are getting nothing in return, as far as help with these above problems. Very seldom do we see a chemical truck or anyone else going to the sewage area. So where is our \$28.45 a month per resident going???

Most of the residents are on a fixed income and can't afford this Kind of rate hike. As it is now we are paying too much for no more than what we are getting as a service from Airview Utilities LLC. They could care less about the problems, they don't live out here and they don't have to deal with these issues.

Airview Utilities stated, "That they would provide adequate sewer service." Where is the adequate service????

So as residents we feel that we have a right to make you all in Frankfort aware that there are issues and we are not receiving any help from these people at AIRVIEW UTILITIES LLC. We are opposing a rate hike that will put a financial burden on each resident.

If you could please take these issues at hand in consideration and re-evaluate approving this for AIRVIEW UTILITIES LLC, we as residents would greatly appreciate this!!! You may feel free to contact any of the residents who sign this petition.

Thank You again for your time in checking into this matter.

Regards,
