Re: Application for a Purchased Water Adjustment

2014-00260

This is an application for a purchased water rate adjustment for the Caldwell County Water District. The adjustment is necessary to recover an increase in the cost of water attributable to our supplier's new wholesale rate.

The District purchases water from Princeton Water and Wastewater. They increased their wholesale water rate from \$2.024 to \$2.2871 per hundred cubic feet.

Enclosed are original and ten (10) copies of the following items:

- Supplier's notice showing a change in the supplier's wholesale rate
- Purchased Water Adjustment Form 1
- Gallons Sold and Gallons Purchased for 12 months (June 2013 – May 2014)
- Schedule listing current and proposed rates
- Minutes of July 10, 2014 Board Meeting

Should you have any questions or need any additional information, please give us a call.

Sincerely,

JIMMY LITTLEFIELD
