RE: Case No. 2014-00266 – Western Lewis-Rectorville Water & Gas District
Filing Deficiencies

The Commission Staff has reviewed Western Lewis-Rectorville Water & Gas District's application in the above case. This filing is rejected for the reasons set forth below.

Filing deficiencies pursuant to:

807 KAR 5:076 Section 5(4)

Notice of proposed rate adjustment does not meet regulatory requirements for the following reasons:

1. The date the proposed rates are expected to be filed with the commission is missing.
2. Notice does not contain the proposed rate for Bulk Water Sales.
3. Notice does not contain the language "Monday – Friday, 8:00 a.m. to 4:30 p.m. or through the Commission's website at <http://psc.ky.gov>."
4. Notice does not contain the language "establishing the grounds for the request and including the status and interest of the party."
5. Notice is missing the following statement: If the Commission does not receive a written request for intervention within 30 days of initial publication or mailing of notice, the Commission may take final action on the application.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may re-file your proposed tariff with a new proposed effective date that is a least 30 days from the date you file the required information. You are requested to file 10 copies of this information within 15 days of date of this letter. If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

Linda Faulkner
