Case No. 2014-000342

MOTION

Mountain Water District (MWD), by counsel, moves for an extension of time to file its responses to the Attorney General's Supplemental Data Request and the Commission's Third Data Request, which are due to be filed on March 20, 2015. Due to severe weather in Pike County, including heavy snow accumulations and flooding, the staff of Mountain Water District has been unable to complete the responses. The Attorney General has been informed of this motion and agreed without objection.

For this reason, Mountain requests an extension of one week to and including March 27, 2015, to submit the responses.
