COMMISSION STAFF'S INITIAL REQUEST FOR INFORMATION  
TO ATMOS ENERGY CORPORATION

Comes now Atmos Energy Corporation, ("Company") by counsel and respectfully requests the Kentucky Public Service Commission ("Commission") for additional time within which to file its Responses to the Commission Staff's Initial Request For Information ("Initial DRs").

The Initial DRs were filed by the Staff on December 5, 2014. The Company has 14 days from that date to file its Responses. The Company needs additional time to compile the information requested. Employees responsible for compiling the requested information have pre-existing obligations on their professional time, which is compounded by the fact that the holiday season is at hand and employees have vacation time scheduled. The Company knows of no prejudice that will result from a reasonable extension of time to file its responses. The Company requests until Friday, January 30, 2015, to file its Responses to the Staff's Initial Drs.

Respectfully submitted, this 8 day of December, 2014.
