**Meter Read Fee Increase (807 KAR 5:011-Tariffs):** Meter Read Fee asking for \$30.00 change is excessive and misleading. Ad claims that raising from existing \$5.00 Dollar to a proposed \$35.00 dollar and claiming to be an 86% percent increase is wrong. And AD should be ran again at the correct percentage of increase.

**Eastern Rockcastle Water Association Monthly rate increase:** Eastern Rockcastle Water Association Monthly rate proposed increases will put undo hardships upon our elderly and disabled. As inflation rate is only 1.7% percent for grandmas and grandpa's social security checks will only average \$22.00 per month and Easter Rockcastle Water Association wants to take \$7.51 from the \$22.00. And low and behold Medicare wants their part anywhere from \$11.00 and above increase. Any increase in water rates or fees will put undo hardships on our elderly and disabled. With gasoline under \$3.00 a gallon, it should cut expenses and therefore make it much less to operate Eastern Rockcastle Water Association service vehicles.
