Pongo Fire Department Water Meter (first one installed):

1. Please advise when the first meter was installed at the Pongo Fire Department? (Month/Day/Year)
2. I request to know where the water meter came from and whom did it belong to? And who installed the water meter at the Pongo Fire Department?
 - A. When did Eastern Rockcastle Water Association, Inc. start receiving payments for water from Pongo Fire Department? (Month/Year)

Pongo Fire Department: I raised question about prosecution of individual that installed meter using someone's meter (that has never been returned):

Why was Eastern Rockcastle employee that installed Pongo Fire Department water meter and failed to notify billing not prosecuted? I requested in the past that Jerry Cox, Attorney for E.R.W.A., to prosecute at two annual meetings, as the cost of meter and \$300 install free and the amount used of water used was well over the \$300.00 for felony theft.
