RE: CASE 2014-00385

Dear Mr. Derouen,

Pursuant to the Commission Staff Report on Case No. 2014-00385 the Board of Directors of Eastern Rockcastle Water Association accept the proffers dated February 25, 2015 to include: adjustment of the general retail rates to a level that will produce an additional \$51,288.00, revision of the tariff to distinguish which customers the non-recurring charge meter reading charge and notifying our accountant of the Staff's recommendation for changing asset depreciation lives. We wish to waive the informal conference. We do not find cause for a hearing.

Sincerely,

Tony Bullock
Board President
