Re: Big Rivers Electric Corporation  
Petition Requesting Confidential Treatment received 4/25/14  
PSC Reference: Case No. Admin. 387

Dear Mr. Kamuf:

Pursuant to 807 KAR 5:001, Section 13(3), Big Rivers Electric Corporation ("BREC") by Petition received April 25, 2014, requested confidential treatment of certain information filed with the Commission outside of a formal proceeding. 807 KAR 5:001, Section 13(3)(c), provides that the Commission's "executive director, as official custodian of the commission's records, shall determine if the material is within an exclusion established in KRS 61.878 and the time period for which the material should be considered as confidential and shall advise the requestor of his or her determination by letter." This letter constitutes my determination of your request.

The information you request the Commission treat as confidential is identified as being contained in BREC's Response to Item 11 and to the attachment to its Response to Item 14 of the supplemental information to BREC's Financial and Statistical Report. The information is described as a list of scheduled outages from 2014 through 2018 and related information; and a list of planned transmission system additions from 2014-2017.

Your justification for having the Public Service Commission handle this material as confidential is that the public disclosure of the information could result in an unfair commercial advantage to competitors.

Based on a review of the information and pursuant to KRS 61.878(1)(c)(1) and 807 KAR 5:001, Section 13, it has been determined that the information requested to be held

confidential if publicly disclosed would permit an unfair commercial advantage to BREC's competitors. Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be maintained as a nonpublic part of the Commission's file in this case for the period of time up to and including January 1, 2019, or until further orders of the Commission. The procedure for usage of confidential materials during formal proceedings may be found at Section 13(9) of 807 KAR 5:001.

If the information becomes publicly available or no longer warrants confidential treatment, Big Rivers Electric Corporation is required by Section 13(10)(b) of 807 KAR 5:001 to inform the Commission so that the information may be placed in the public record.

Any questions regarding this letter should be directed to David Spenard, Staff Attorney at (502) 782-2580.

Sincerely,

Jeff Derouen  
Executive Director
