RE: Home Energy Assistance Tariffs of Louisville Gas and Electric Company and Kentucky Utilities Company – Case No. 2010-00204

Dear Mr. DeRouen:

In accordance with the Settlement Agreement, Stipulation and Recommendation (“Settlement”) approved by the Commission in its Order of September 30, 2010 in *In the Matter of: Joint Application of PPL Corporation, E.ON AG, E.ON US Investments Corp., E.ON U.S. LLC, Louisville Gas and Electric Company, and Kentucky Utilities Company for Approval of an Acquisition of Ownership and Control of Utilities*, Case No. 2010-00204, Louisville Gas and Electric Company (“LG&E”) and Kentucky Utilities Company (“KU”) agreed to continue the 15-cent-per-meter charge for funding the Home Energy Assistance (“HEA”) program for an additional three years, or through September 30, 2015. We are hereby filing revised tariff sheets to reflect this change in the term of the program.

In addition, in the Commission’s orders approving LG&E’s and KU’s original five-year programs, the Commission found that a comprehensive assessment on the programs should be filed prior to the end of the term of the HEA programs. Because the Settlement extended the term of the program through September 30, 2015, LG&E and KU respectfully request to file their assessment by March 15, 2015.

Mr. Jeff DeRouen
Executive Director
Kentucky Public Service Commission
October 29, 2010

Should you have any questions, please contact me at your first convenience.

Sincerely,

A handwritten signature in black ink, appearing to read "R. M. Conroy". The signature is stylized with a large, circular flourish at the end.

Robert M. Conroy

Adjustment Clause	HEA
Home Energy Assistance Program	
APPLICABLE	
In all territory served.	
AVAILABILITY	
To all residential customers.	
RATE	
\$0.15 per meter per month.	
BILLING	
The HEA charge shall be shown as a separate item on customer bills.	
SERVICE PERIOD	
The Home Energy Assistance charge will be applied to all residential electric bills rendered during the billing cycles commencing October 1, 2007 through September 30, 2015, or as otherwise directed by the Public Service Commission. Proceeds from this charge will be used to fund residential low-income demand-side management Home Energy Assistance programs which have been designed through a collaborative advisory process and then filed with, and approved by, the Commission.
