**Re: Response to Letter Requesting Filing for a Regulatory Commitment  
in Case No. 2010-00204**

Dear Ms. Faulkner:

This letter is in response to your letter dated October 12, 2011 requesting a filing for the information listed in ordering paragraph no. 3 for Case No. 2010-00204.

Louisville Gas and Electric Company and Kentucky Utilities Company (collectively "the Companies") are planning to file the first report regarding this requirement on or before October 31, 2011. The Companies had interpreted the annual reporting requirements to commence from the consummation of the acquisition which was on November 1, 2010, rather than from the date of the order.

Please inform me if the Commission requires that the next annual report be filed on or before September 30, 2012. If no response is received, the Companies will plan on filing the annual reports on or before October 31<sup>st</sup> of each year.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Lonnie E. Bellar
