Re: Notice of Change to Directory Publication

This correspondence is to notify the Commission that AT&T is moving to a digital only directory format, beginning with the September 2020 publication. AT&T Kentucky customers will be notified accordingly with the following bill page message during the June and July 2020 billing cycles:

The AT&T WP directory will move to digital format only beginning with September, 2020 publications. You may receive a printed directory for your area until such time as it moves to digital only. A free digital version of the directory can be accessed online at www.therealyellowpages.com. Questions, please call us on the toll-free number on your bill.
