Re: Expanding Cincinnati Bell Any Distance Inc's. (CBAD) authority to provide facilities based local exchange business services

Dear Mr. Derouen:

CBAD filed with the Commission on May 11, 2007 an application for a certificate of convenience to be authorized to operate as a reseller of local exchange business services. CBAD now wishes to inform the Commission that it is expanding its operations in Kentucky to include facilities based local business services effective with this notification.

Should there be any questions concerning this matter they may be directed to me at 513 397-1354 or by email at scott.ringo@cinbell.com.

Sincerely,
