Dear Sir or Madam;

The asset previously known as International Payphone Corp. (IPC) payphone route was sold as of 4-1-08. We will no longer have a presence in your state. The IPC route was an asset represented by Receiver, S. Gregory Hays in the case "*Securities and Exchange Commission v. Mobile Billboards of America, Inc., International Payphone Company, Reserve Guaranty Trust, Michael A. Lomas and Michael L. Young*, Civil Action No. 1:04-CV-2763 (NDGA September 20, 2004)". Please see our website for additional case info at:

<http://www.haysconsulting.net/mobilebillboards.html> . This case is being finalized with one of the last steps being the sale of the payphone route. By now you have been contacted by the new owner of this route, FSH Communications, Inc. The Receiver is completing liquidation and is working toward distribution of final assets in the next couple of months.

Please accept this as notification of withdrawal from your jurisdiction and final activity of IPC thus requiring no future filings. If you have questions or concerns, you may direct them to me via email at byoung@haysconsulting.net .

Thank you,

Beth Young
