Re: Notification of Winstar Communications, LLC's Discontinuance of Certain Services in the State of Kentucky

Dear Mr. Dorman:

Winstar Communications, LLC ("Winstar"), through its undersigned counsel and pursuant to Kentucky Regulations, hereby notifies the Commission of the discontinuance of certain services in selected areas defined herein.¹ Specifically, Winstar proposes to discontinue the provision of frame relay services to customers in a number of Kentucky locations. The services to be discontinued are competitive services and alternative providers exist.

In connection with this Notification, Winstar submits the following information:

¹ Winstar has previously filed a discontinuance notification on May 3, 2004 as well as two discontinuance applications with the FCC. See *In re Section 63.71 Application of Winstar Communications, LLC for Authority to Discontinue Certain Services*, Section 63.71 Application, WBC Docket No. 04-154 (filed Apr. 15, 2004) and *In re Section 63.71 Application of Winstar Communications, LLC for Authority to Discontinue Certain Services*, Section 63.71 Application, WC Docket No. 04-212 (filed May 13, 2004). More recently, Winstar determined that it would discontinue service to all remaining non-federal governmental customers that receive local, domestic and international long distance, toll free, ATM, frame relay, Winstar switched private line, and other high-speed data transmission services. Winstar has filed a separate Section 63.71 Application for the discontinuance of services to these customers. See *In re Section 63.71 Application of Winstar Communications, LLC for Authority to Discontinue Certain Services*, Section 63.71 Application, WC Docket No. _____ (filed July 15, 2004).

fixed wireless services and offerings supporting mobile carrier infrastructures, cable, Wi-Fi, and other backhaul systems, private circuits, closed networks, or Winstar's spectrum lease offerings.

III. Public Interest Considerations

Winstar's disconnection of service to certain customers, while regrettable, is necessary and appropriate, and will not adversely affect the public convenience and necessity. The public will not be unduly harmed by the discontinuance of the services described above because customers have been given notice that affords them an opportunity to transfer to a new carrier. As indicated herein, Winstar has undertaken a customer notification initiative that is aimed at providing affected customers with sufficient notice and opportunity to select another provider. Further, Winstar is making a concerted effort to ensure an orderly transition of service for all affected customers.

IV. Conclusion

An original and ten (10) copies of this Notification are enclosed for filing. Please date-stamp and return the enclosed extra copy of this letter. Winstar intends to proceed as described above on or shortly after August 31, 2004. Therefore, Winstar respectfully requests that the Commission notify Winstar if it has any questions regarding the proposed discontinuance or believes that further action is required.

Respectfully submitted,

DO NOT DISREGARD THIS NOTICE
YOU MUST CHOOSE A NEW SERVICE PROVIDER BY JULY 15, 2004

June 18, 2004

RE: Frame Relay, ATM or PRIVATE LINE Account # / ALL SERVICE LOCATIONS

Dear Winstar Customer:

We regret to inform you that Winstar plans to reconfigure and redesign the services it offers in your geographic area. As a result, we have determined that we can no longer provide your Frame Relay, ATM or Private Line services. We have also informed the Federal Communications Commission of this development. **Accordingly, Winstar will discontinue all FRAME RELAY, ATM, PRIVATE LINE AND ALL OTHER TELECOMMUNICATIONS AND DATA COMMUNICATIONS SERVICES that you receive in your current service location(s). Subject to regulatory approval, the anticipated date for the discontinuance of your Frame Relay, ATM or Private Line service is Tuesday, August 31, 2004. This notification does not alter any prior notification dates of other service discontinuance.**

YOUR ACTION IS REQUIRED! YOU MUST CONTRACT WITH A NEW SERVICE PROVIDER AS QUICKLY AS POSSIBLE, BUT NOT LATER THAN JULY 15, 2004 OR YOU MAY LOSE YOUR SERVICES.

Select a new carrier as soon as possible to avoid any interruption of service. Please do not delay in arranging for a new service provider, as some carriers may require several weeks to install new services. To help avoid service disruption, please check carefully that all service types you currently have with Winstar (Frame Relay, ATM, Private Line and all other telecommunications and data communications services) are moved to your new carrier. Once you have contracted with your new provider, Winstar will work with the carrier you have selected to assist in the transition of your service. You must contract with a new provider by July 15, 2004 or it is likely you will lose all services on August 31, 2004.

The Federal Communications Commission ("FCC") permits customers to object to discontinuance of their service by a telecommunications provider. As provided in the FCC's rule 47 CFR 63.71:

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments within 15 days after receipt of this notification. Address them to the Federal Communications Commission, Washington, D.C. 20554, referencing the Section 63.71 Application of Winstar Communication, LLC. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

Winstar appreciates the opportunity we have had to serve you. We are committed to making your service transition as smooth as possible. Please review the attached list of Frequently Asked Questions. If you have any further questions regarding the discontinuance of our services, please contact us at **1-800-778-3757**.

Sincerely yours,
Winstar Customer Service
