RE: Lift of Force Majeure Declaration

Dear Mr. Chandler:

Pursuant to Section 4.5.2 of its Self Effectuating Enforcement Mechanisms Administration Plan ("SEEM Plan"), AT&T Kentucky declared a force majeure event that began starting March 16, 2020, in connection with various federal, state and local governmental declarations in order to mitigate the threat of the COVID-19 virus.

As of September 21, 2020, AT&T Kentucky has lifted its force majeure declaration for the Ordering and Billing Service Quality Measurements ("SQMs") statewide; the declaration for these measures began on March 16.

AT&T Kentucky remains under its statewide force majeure declaration related to the COVID-19 virus for Provisioning and Maintenance & Repair SQMs; the declaration for these measures began on March 20.

AT&T Kentucky will apprise the Commission periodically on status, providing notification as this force majeure event concludes. Additionally, AT&T will continue to keep CLECs notified via our normal processes. If you have any questions concerning this matter, please do not hesitate to contact me.

Sincerely,

John T. Tyler  
Assistant Vice President-Senior Legal Counsel
