Re: Broadslate Networks of Kentucky, Inc.'s Request For Cancellation of Authority to Offer Telecommunications Services and Tariff

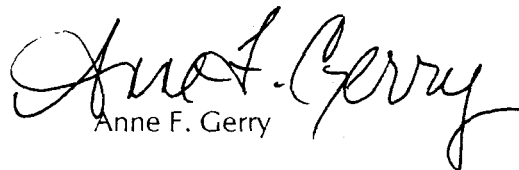

Dear Mr. Dorman:

On behalf of Broadslate Networks of Kentucky, Inc. ("Broadslate"), we hereby request that the Kentucky Public Service Commission cancel Broadslate's authority to offer telecommunications services in Kentucky. Furthermore, Broadslate requests that this Commission cancel the Broadslate tariff, effective January 15, 2000 that is currently on file with the Commission.

Broadslate has never provided any telecommunications services in Kentucky and has no customers located in Kentucky. Due to financial difficulties, Broadslate will not provide any services in Kentucky in the future. Broadslate respectfully requests that the Commission cancel its authority and tariff effective immediately. Broadslate also requests that it be removed from any Commission mailing lists and be withdrawn from any pending dockets.

If you have any questions regarding this matter, please do not hesitate to call.

Very truly yours,

  
Anne F. Gerry
