RE: Notification of Customer Transfer

Dear Mr. Huelsmann:

Attached please find three copies of the Notification sent to the FCC by BellSouth Long Distance, Inc. ("BSLD") and Broadwing Telecommunications Inc. ("BWTI"). This Notice explains the transfer of certain customers' intraLATA 800 service from BSLD to BWTI. The parties propose to transfer customers of the intraLATA portion of 800 service jointly provided by both companies from BSLD to BWTI. BWTI is currently and will remain the interLATA carrier for the 800 services of these same customers. BWTI and BSLD will resolve any customer questions that may result from the transfer.

Prior to implementing these changes, the parties will send a notification to each of the 130 Kentucky affected customers, along with a new LOAs for signatures. The notification will be completed at least 30 days prior to the change and will advise the customers of the following: the pending change of their intraLATA 800 service carrier selection to BWTI; that there will be no change in the way they dial or in the customer service available to them; that there will be no charges associated with the change; that services will be provided at the same rates as those charged by the current carrier; and that they have the option to select a different service provider if they prefer. The notification will also include a customer inquiry number that customers may call for more information. A sample copy of the customer notification is provided in Exhibit 1 of this filing, as Attachment A of the FCC Notification.

If the new LOA is not returned prior to August 1, 2002, the intraLATA portion of the customer's service will be discontinued. However, as August 1 approaches and BWTI has identified which customers have not signed the new LOAs, BWTI will ask the Commission's permission to serve those customers for an additional sixty days while attempting to obtain a signed LOA. If, at the end of the sixty day period, the customer has not signed the new LOA, their service will be disconnected.

Re: CC Docket No. 00-257 --
Transfer of IntraLATA 800 Service Subscribers from BellSouth
Telecommunications, Inc. to Broadwing Telecommunications Inc.

Dear Ms. Dortch:

Pursuant to CC Docket No. 00-257 and in accordance with Section 64.1120(e)(1) of the Commission's rules, Broadwing Telecommunications Inc. ("Broadwing") hereby notifies the Commission of its plan to enter into an agreement with BellSouth Telecommunications, Inc. ("BellSouth") whereby Broadwing will acquire certain intraLATA 800 service subscribers from BellSouth. These customers currently receive intraLATA 800 services from BellSouth and interLATA 800 services from Broadwing, for which Broadwing issues a joint bill containing both companies' logos.

Once the proposed transaction is consummated, Broadwing will provide both intraLATA and interLATA 800 services to these customers and will issue customer bills containing only Broadwing's logo. As reflected in the customer notification, attached as Attachment "A", affected customers will not experience any other changes with respect to their current 800 services. The proposed transfer will affect approximately 3,110 customers located in seventeen (17) states. The proposed date for the customer transfer is August 1, 2002.

As set forth in Attachment "B" to this letter, Broadwing certifies that it has complied with the subscriber notification requirements set forth in Section 64.1120(e)(3) of the Commission's rules and with other statutory and Commission requirements that apply to this streamlined process.

Four copies of this letter are also enclosed. A receipt copy is enclosed as well. Please date stamp the receipt copy and return it with the courier.

If you have any questions with respect to this letter, please direct them to either Jennifer Newberry or myself at (202)-429-0004.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "James E. Magee". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

James E. Magee

Counsel for Broadwing Telecommunications Inc.

Enclosures

ATTACHMENT A

June 18, 2002

Dear 800 Service Customer:

Dear Toll Free Service Customer:

As you know, BellSouth Long Distance, Inc. ("BellSouth") and Broadwing Telecommunications Inc. ("Broadwing", f/k/a Eclipse Telecommunications) currently provide your Toll Free Service. BellSouth provides the intraLATA portion of the service, branded BellSouth Long Distance Premier Toll Freesm Service, and Broadwing provides the interLATA portion of the service. BellSouth intends to discontinue offering the BellSouth Long Distance Premier Toll Freesm Service and has requested that Broadwing provide to you a replacement intraLATA Toll Free service for calls beginning August 1, 2002.

Thus, as of August 1, 2002, your Toll Free service will be exclusively provided and billed by Broadwing. There will be no charges to you associated with this transfer. If you do not wish to stay with Broadwing, you have the option to select a different Toll Free service provider, if one is available, and you can continue to use your existing Toll Free number.

Unless you select a new Toll Free service provider before August 1, 2002, all customers receiving this notice will have their BellSouth Long Distance Premier Toll Freesm Service transferred to Broadwing regardless of whether the account has a preferred carrier freeze. You must contact your local service provider if you want to arrange a new preferred carrier freeze.

If you stay with Broadwing, there will be no change to the rates, terms, and conditions of your service for a minimum of sixty (60) days, and currently no changes are being considered for after that date. Broadwing will send you written notice 30 days prior to any future changes in your terms and conditions of service.

BellSouth and Broadwing will remain responsible for handling any complaints with respect to their respective service prior to or during the transfer. If you have any questions about the transfer or Broadwing's services, please call a Broadwing customer service representative at (877) 235-5254.

Broadwing Telecommunications Inc.

CERTIFICATION OF BROADWING TELECOMMUNICATIONS INC.

Larry D. Barnes, National Director – Regulatory Affairs of Broadwing Telecommunications Inc. (“Broadwing”), hereby certifies that Broadwing has complied with the subscriber notification requirements set forth in Section 64.1120(e)(3) of the Federal Communications Commission’s rules and with other statutory and Commission requirements that apply to the Commission’s streamlined procedure with respect to the proposed transfer of IntraLATA 800 service subscribers from BellSouth Telecommunications, Inc. to Broadwing.
