RE: CallManage, Inc.
Withdrawal of Intrastate Operating Authority

Dear Sir/Madam,

CallManage, Inc. ("CallManage") was granted authority to operate as a reseller of interexchange telecommunications services within the State of Kentucky.

Since originally becoming certified, CallManage has limited the scope of its operations and decided against providing telecommunications services within the State of Kentucky. Since CallManage has not provisioned or invoiced any customers within the State of Kentucky, CallManage respectfully requests that the Public Service Commission ("Commission") cancel both CallManage's certification and Tariff and delete CallManage's name from the commission's list of regulated utilities.

Should you have any questions please do not hesitate to contact us at our corporate address.

Sincerely,

Kenneth Barnum
Regulatory Manager
