***Re: West Kentucky Networks, Inc.'s Sale of Certain Wireless Assets to Crossroads  
Wireless, Inc., a Tennessee Provider of Wireless Services***

Dear Ms. O'Donnell:

We are legal counsel to West Kentucky Networks, Inc. ("West Kentucky").

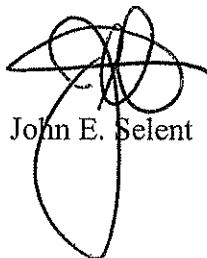

On October 17, 2007, I sent the Public Service Commission of the Commonwealth of Kentucky (the "Commission") a letter informing it of a proposed transaction in which West Kentucky agreed to sell certain wireless assets to Crossroads Wireless, Inc. ("Crossroads"), a Delaware corporation.

The purpose of this letter is to inform the Commission that the transaction described in the October 17<sup>th</sup> letter was completed on October 31, 2007. As noted in the October 17<sup>th</sup> letter, Kentucky law did not require Commission approval of the transaction, as the transaction related only to the sale of certain assets used in connection with unregulated services.

Please return a file-stamped copy of this letter to us in the enclosed self-addressed, stamped envelope. Thank you, and if you have any questions, please call me.

Very truly yours,

DINSMORE & SHOHL LLP
