Re: Intercontinental Communications Group dba Fusion Telecom
I.D.#005124600

Dear Mr. Feldman:

Pursuant to your email to Karina Kropilnicki dated August 25, 2004, I am requesting that our authority to operate in Kentucky be removed and that our tariffs be pulled. Intercontinental Communications Group ceased all operations in September 2001.

I understand that if we decide to resume business in Kentucky at a future date, all past due amounts, reports and assessments will become due.

Thank you for your prompt attention to this matter.

Sincerely,

Barbara Hughes
Vice President, Finance
