Re: Orbis 1, LLC d/b/a CoStreet Communications (Utility ID 5053710)

Dear Ms. Stumbo:

Orbis 1, LLC d/b/a Costreet Communications ("CoStreet"), by undersigned counsel, respectfully requests that the Commission remove CoStreet from its list of carriers or, in the alternative, modify CoStreet's status to inactive. The Commission currently lists CoStreet as an active competitive local exchange carrier in the State of Kentucky under Utility ID 5053710. However, CoStreet currently offers only interstate telecommunications services. CoStreet has never offered or provided any intrastate telecommunications services in Kentucky. In addition, CoStreet does not have an effective interconnection agreement in Kentucky. CoStreet therefore asks the Commission to remove its name from the Commission's list of carriers or, in the alternative, list the company as being inactive. Should CoStreet decide to offer intrastate telecommunications services in Kentucky in the future, it will submit the requisite letter of intent and tariff for Commission approval prior to offering any intrastate telecommunications service.

An original and ten (10) copies of this letter are enclosed. Please date-stamp the enclosed extra copy and return it in the envelope provided. Should you have any questions concerning this filing, please do not hesitate to contact the undersigned.

Respectfully submitted,

Brett Ferenchak
Danielle Burt
