## INDEPENDENT AUDITOR'S REPORT

Board of Commissioners  
Sharpsburg Water District  
Sharpsburg, Kentucky

We have audited the accompanying financial statements listed in the Table of Contents of the business-type activities of the Sharpsburg Water District as of and for the year ended December 31, 2011 which comprises the Authority's basic financial statements. These financial statements are the responsibility of the Authority's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the respective financial statements referred to above present fairly in all material respects, the financial position of the business-type activities of the Sharpsburg Water District, as of December 31, 2011, and the respective changes in financial position and cash flows thereof for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated May 08, 2012 on our consideration of the Sharpsburg Water District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

Management has elected to omit the "Management Discussion and Analysis" which is supplemental information required by the Governmental Accounting Standards Board.

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Sharpsburg Water District's basic financial statements. The schedules listed in the table of contents are presented for the purpose of additional analysis and are not a required part of the financial statements of the Sharpsburg Water District. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by U.S. Office Management and Budget Circular A-133, Audits of States, Local Government and Non-Profit Organizations and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly presented in all material respects in relation to the basic financial statements taken as a whole.

The accompanying notes to the basic financial statements are an integral part of these statements.

SHARPSBURG WATER DISTRICT  
Notes to the Financial Statements  
December 31, 2011

The Sharpsburg Water District is a water utility which services areas of Bath County including Sharpsburg, Bethel, Reynoldsville, and parts of Nicholas County. Its sales are primarily to residential customers. The District is a corporate body set forth in Kentucky Revised Statutes (KRS) 74.070 which was created November, 1961. The District began operations in 1963. The District is subject to the regulatory authority of the Kentucky Public Service Commission pursuant to KRS 278.040.

Note 1 - Summary of Significant Accounting Policies

The accounting policies of the District conform to accounting principles generally accepted in the United States of America as applicable to governments. The following is a summary of the more significant policies.

The Reporting Entity

The District, for financial purposes, includes all of the funds relevant to the operations of the District. The financial statements presented herein do not include agencies which have been formed under applicable state laws or separate and distinct units of government apart from the Sharpsburg Water District.

The financial statements of the District would include those of separately administered organizations that are controlled by or dependent on the District. Control or dependence is determined on the basis of financial interdependency, selection of governing authority, designation of management, ability to significantly influence operations, accountability of fiscal matters, scope of public service, and financing relations.

Based on the foregoing criteria there are not other organizations included in these financial statements.

The District, presented as an enterprise fund, does not apply Financial Accounting Standards Board (FASB) pronouncements and Accounting Principles Board (APB) opinions issued on or after November 30, 1989.

Depreciation Reserve Fund - Monthly transfers are required to be made into this fund in the amount of \$120. Only expenditures for capital improvements or extraordinary expenses are permitted to be paid from this fund. The District had set aside \$54,861 into this fund at December 31, 2011.

Bond and Interest Sinking Fund - Monthly transfers are required to be made into this account in an amount equal to one-sixth (1/6) of the interest becoming due on the next succeeding interest due date for all outstanding bonds and one-twelfth (1/12) of the principal of all such bonds maturing on the next succeeding due date. The required balance of the fund at December 31, 2011 was \$-0-. The District had set aside \$45,749.

Enterprise Funds

An enterprise fund distinguishes operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with the Authority's principal ongoing operations. The principal operating revenues of the Authority are operating grants and tenant rental revenue. Operating expenses of the Authority include the cost of producing the revenue and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

Enterprise Funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprise where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

The accounting and financial reporting treatment applied to the District is determined by its measurement focus. The transactions of the District are accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities associated with the operations are included on the balance sheet. Net assets (i.e., total assets net of total liabilities) are segmented into invested in capital assets, net of related debt, restricted and unrestricted components. When both restricted and unrestricted resources are available for use, it is the District's policy to use restricted resources first, and then unrestricted resources as they are needed.

#### Basis of Accounting

The records of the District are maintained and the budgetary process is based on the cash basis method of accounting. Adjustments have been made to conform to the accrual basis of accounting.

#### Inventory

The cost of inventory is recorded as a disbursement at the time of payment for the purchase.

#### Cash

For purposes of the statement of cash flows, the District considers all highly liquid debt instruments purchased with a maturity of one year or less to be cash equivalents. At December 31, 2011, the carrying amount of the District's deposits was \$356,899 and the bank balance was \$361,952. Of the bank balance 100% was covered by federal deposit insurance or collateralized with securities held by the pledging financial institution's trust department or agent in the entity's name.

#### Fixed Assets

Fixed assets purchased are capitalized at the time of purchase. Such assets are recorded at cost. Donated assets are recorded at fair market value at the date of donation.

Depreciation of property and equipment is computed by the straight-line method based upon the estimated useful lives of the assets as follows:

<u>Class</u>	<u>Life</u>
Lines, tanks, and equipment	50 years

The District's capitalization policy is as follows: expenditures costing more than \$1,000 with an estimated useful life greater than one year are capitalized: all others are expensed.

#### Net Assets

Net assets represent the difference between assets and liabilities. Net assets invested in capital assets- net of related debt consists of capital assets, net of accumulated depreciation, reduced by the outstanding balance of any borrowing used for the acquisition, construction or improvement of those assets. Net assets are recorded as restricted when there are limitations imposed on their use by external restrictions.

#### Accounts Receivable

The receivable reflected in the statements in the amount of \$48,423 are net of allowance for uncollectibles in the amount of \$6,136.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

## Note 2 - Notes Payable

The amount shown in the accompanying financial statements as notes payable represents the District's future obligation to make loan payments from future revenues. At December 31, 2011, five separate loans had outstanding balances. Details of each of these issues are summarized as follows:

### Note A

Lender – Rural Development

Balance of loan - \$113,000

Rate – 7.125%

Principal due January 1

Interest due January and July 1

Prepayment provision - subject to payment prior to its stated maturity without penalty or premium, at any time upon ten (10) days notice.

### Note B

Lender – Rural Development

Balance of loan - \$237,000

Rate - 5%

Principal due January 1

Interest due January and July 1

Prepayment provision - subject to payment prior to its stated maturity without penalty or premium, at any time upon ten (10) days notice.

### Note C

Lender – Rural Development

Balance of loan - \$232,200

Rate – 4.5%

Principal due January 1

Interest due January 1 and July 1

Prepayment provision - subject to payment prior to its stated maturity without penalty or premium, at any time upon ten (10) days notice.

### Note D

Lender – Rural Development

Balance of loan - \$246,500

Rate – 4.125%

Principal due January 1

Interest due January 1 and July 1

Prepayment provision - subject to payment prior to its stated maturity without penalty or premium, at any time upon ten (10) days notice.

### Note E

Lender – Rural Development

Balance of loan - \$642,000

Rate – 2.250%

Principal due January 1

Interest due January 1 and July 1

Prepayment provision - subject to payment prior to its stated maturity without penalty or premium, at any time upon ten (10) days notice.

Five-Year Maturities	
2012	\$ 25,500
2013	27,000
2014	30,000
2015	32,500
2016	35,500
Thereafter	<u>1,320,200</u>
	<u>\$1,470,700</u>

The following is a summary of changes in long-term obligations for the year:

	Outstanding 1/1/2011	Issued	Retired	Outstanding 12/31/2011	Due Within One Year
Rural Development	\$ 828,700	\$ 642,000	\$ -	\$ 1,470,700	\$ 25,500

Total interest paid during the year on long-term debt totaled \$43,447.

#### Note 3 - Pension Plan

The District's employees are not covered by a retirement plan.

#### Note 4 - Leave Policies

##### *Annual and Sick Leave*

All full time employees shall be entitled to sick leave with pay at a rate of twelve days per year. Maximum accumulation is 60. No pay upon termination.

All full time employees are entitled to vacation time as follows:

- Completion of one year – 1 week
- Completion of ten years – 2 weeks
- Completion of 15 years – 3 weeks
- Completion of 20+ years – 4 weeks

#### Note 5 - Changes in Fixed Assets

The following is a summary of changes in the fixed assets for the fiscal year:

	1/1/2011	Additions	Deletions	12/31/2011
Utility plant and equipment	\$ 4,341,144	\$ 1,564,722	\$ -	\$ 5,905,866
Acc. depreciation	\$ 1,484,059	\$ 133,647	\$ -	\$ 1,617,706
Fixed assets, net of accumulated depreciation	\$ 2,857,085	\$ 133,647	\$ -	\$ 4,288,160

#### Note 6 - Revenue Bonds

Water and Revenue Bonds constitute special obligations of the

District solely secured by a lien on and pledge of the net revenues of the water system. The revenue bonds are collateralized by the revenue of the water system and the various special funds established by the bond ordinances. The ordinances provide that the revenue of the system is to be used first to pay operating and maintenance expenses of the system and second to establish and maintain the revenue bond funds. Any remaining revenues may then be used for any lawful purpose. The ordinances also contain certain provisions, which require the District to maintain pledged revenues. The District must transfer monthly 1/6 of the next succeeding interest payment and 1/12 of the next succeeding principal payment from the operations and maintenance account into the bond and interest sinking account.

Note 7 - Restricted Cash

Restricted cash is composed of the following:

Depreciation reserve fund	\$	54,861
Sinking fund		45,749
Hwy 36 Project		86,907
Tank & Salesman		82
Water Meter		<u>31,038</u>
	\$	218,637

Note 8 – Contingencies

The District is subject to possible examinations made by Federal and State authorities who determine compliance with terms, conditions, laws, and regulations governing other grants given to the District in the current and prior years. There were no examinations for the year ended December 31, 2011. Areas of noncompliance, if any, as a result of examinations would be included as a part of the “Findings and Questioned Costs” section of this report.

Note 9 – Risk Management

The District is exposed to various risks of losses related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The District carries commercial insurance coverage for the risks to the extent deemed prudent by District management.

Note 10 – Lawsuit

The District was a defendant in a lawsuit filed by C&K Contracting, LLC seeking breach of contract damages in the sum of \$135,177.10 plus interest and attorney’s fees and costs. At December 31, 2009, the District had set aside \$100,000 to cover any potential loss. The District alleged faulty construction and withheld \$100,000 to cover the expected costs of another firm to complete the job. \$100,000 was paid during 2010 to C&K Contracting LLC. An additional \$12,814 was paid to C&K Contracting LLC during 2011 to settle the lawsuit.

Notes to Schedule of Expenditures of Federal Awards

NOTE A – SIGNIFICANT ACCOUNTING POLICIES

The accompanying schedule of expenditures of federal awards is a summary of the accrual activity of the District's federal award programs and does present transactions that would be included in financial statements of the District presented on the accrual basis of accounting as contemplated by generally accepted accounting principles.

SHARPSBURG WATER DISTRICT  
Sharpsburg, Kentucky  
Schedule of Findings and Questioned Costs  
December 31, 2011

A. SUMMARY OF AUDIT RESULTS

1. The auditor's report expresses an unqualified opinion on the financial statements of the Sharpsburg Water District.
2. No reportable conditions relating to the audit of the financial statements or the major federal award programs are reported in the Report on Compliance with Requirements Applicable to each Major Program and Internal Control over Compliance in accordance with OMB Circular A-133.
3. No instances of noncompliance material to the financial statements of the Sharpsburg Water District were disclosed during the audit.
4. The auditor's report on compliance for the major federal award programs for the Sharpsburg Water District expresses an unqualified opinion.
5. There is an audit finding.
6. The programs tested as major programs are the Waste and Waste Disposal Systems for Rural Communities, CFDA 10.770 and the Appalachian Regional Development, CFDA 23.001.
7. The threshold for distinguishing Types A and B programs was \$300,000.
8. The Sharpsburg Water District was not determined to be a low-risk auditee.

B. FINDINGS - FINANCIAL STATEMENTS AUDIT

PRIOR FINDINGS

Lack of Segregation of Duties – repeated as 11-01

CURRENT FINDINGS

11-01 Lack of Segregation of Duties

Condition: The District has an inadequate segregation of duties within its internal control process.

Criteria: All governmental entities should design their internal control to provide an adequate segregation of duties.

Cause: The District does not have sufficient employees to adequately design its internal control.

Recommendation: The District should continue to design and implement its internal control policies to provide the maximum segregation of duties possible.

Response: We will do as recommended.

C. FINDINGS AND QUESTIONED COSTS - MAJOR FEDERAL AWARD PROGRAM AUDIT

None

REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH  
MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN  
ACCORDANCE WITH OMB CIRCULAR A-133

Board of Commissioners  
Sharpsburg Water District  
Sharpsburg, Kentucky

### **Compliance**

We have audited the Sharpsburg Water District's compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended December 31, 2011. The Sharpsburg Water District's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements referred to above is the responsibility of the Sharpsburg Water District's management. Our responsibility is to express an opinion on the Sharpsburg Water District's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 required that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program identified in the accompanying schedule of findings and questioned costs occurred. An audit includes examining, on a test basis, evidence about the Sharpsburg Water District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the Sharpsburg Water District's compliance with those requirements.

In our opinion, the Sharpsburg Water District complied, in all material respects, with the compliance requirements referred to above that are applicable to each of its major federal programs identified in the accompanying schedule of findings and questioned costs for the year ended December 31, 2011. However, the results of our auditing procedures disclosed no instances of noncompliance with those compliance requirements.

### **Internal Control Over Compliance**

Management of the Sharpsburg Water District is responsible for establishing and maintaining effective internal control over compliance with the compliance requirements referred to above. In planning and performing our audit, we considered the Sharpsburg Water District's internal control over compliance with the requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Sharpsburg Water District's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be deficiencies, significant deficiencies, or material weaknesses in internal control over compliance. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of the audit committee, management, others within the organization and Federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE  
WITH GOVERNMENT AUDITING STANDARDS

Board of Commissioners  
Sharpsburg Water District  
Sharpsburg, Kentucky

We have audited the financial statements of the business-type activities of the Sharpsburg Water District, as of and for the year ended December 31, 2011, and have issued our report thereon dated May 08, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Sharpsburg Water District's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Sharpsburg Water District's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Sharpsburg Water District's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above. However, we identified a certain deficiency in internal control over financial reporting, described in the accompanying schedule of findings that we consider to be a significant deficiency in internal control over financial reporting (11-01). A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Sharpsburg Water District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the audit committee, management, others within the organization and Federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
