In the Matter of

APPLICATION OF DIX RIVER COUNTRY CLUB)
FOR A DETERMINATION PURSUANT TO THE) CASE NO. 8462
USE OF NATURAL GAS OUTDOOR LIGHTING)

O R D E R

On February 11, 1982, the Public Service Commission received the application of Dix River Country Club ("Dix River") for an exemption from the prohibition on the continued use of natural gas in existing outdoor lighting under Section 402 of the Federal Industrial Power Plant and Fuel Use Act of 1978.

The Commission, after further consideration of all the evidence of record and being fully advised, is of the opinion and finds that:

(1) Dix River has published the public notice required by 807 KAR 5:036E, Section 5.

(2) Neither Dix River nor any other interested person has requested a hearing pursuant to 807 KAR 5:036E, Section 6.

(3) Proper notice was sent to the natural gas supplier, Western Kentucky Gas Company, requesting continued gas light service pending this determination.

(4) Dix River has met all other requirements contained in 807 KAR 5:036E and Section 402 of the Power Plant and Industrial Fuel Use Act of 1978 for obtaining an exemption under the regulation.

The Commission, on the basis of the above-stated findings,
ORDERS that Dix River Country Club, U.S. 27 North, Stanford,
Kentucky, be and it hereby is granted authority for continued
use of the existing natural gas outdoor lighting as specified
in the application and supplied by Western Kentucky Gas Company.

Done at Frankfort, Kentucky, this 24th day of March 1982.
