O R D E R

On June 29, 1982, Finance and Administration Cabinet, Commonwealth of Kentucky, by counsel, filed its Motion For An Enlargement In Time In Which To File Testimony. The Motion states that the consultant which the Finance and Administration Cabinet "has employed, or proposes to employ for this purpose" has advised that due to the volume of testimony, related exhibits and other matters South Central Bell Telephone Company (South Central) has filed in this proceeding, additional time (until July 31, 1982) is required to complete an analysis of the testimony filed by South Central and to prepare testimony for filing with the Commission.

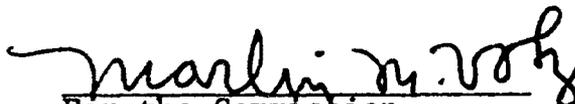

On July 1, 1982, South Central filed its Response to the Motion, stating, among other things, that it is essential that the integrity of the Commission's Order of Procedure entered April 28, 1982, be maintained in order to permit South Central adequate time to review the testimony, file information requests which are due July 23, 1982 and analyze the responses to the requests which are due August 13, 1982, in time for the hearing which commences August 23, 1982.

The Commission, having considered the Motion, Response and being advised, is of the opinion and finds that in the last ordering paragraph of the Order of Procedure entered April 28, 1982, states that Motions for extensions of time will be granted only upon a showing of compelling reasons, that South Central filed its Notice of Intent on February 5, 1982, its Notice on April 23, 1982, that the Finance and Administration Cabinet filed its Motion to Intervene on May 21, 1982, and that the Motion herein does not set forth compelling reasons as to why an enlargement of time should be granted.

IT IS THEREFORE ORDERED That the Motion of the Finance and Administration Cabinet be and it hereby is overruled.

Done at Frankfort, Kentucky, this 8th day of July, 1982.
