In the Matter of:

THE APPLICATION OF WOODLAND-)
PRESTON ENTERPRISES, INC.,) CASE NO. 8651
FOR AN ADJUSTMENT OF RATES)

O R D E R

IT IS ORDERED that Woodland-Preston Enterprises, Inc., shall file an original and six copies of the following information with this Commission by November 24, 1982. If neither the requested information nor a motion for an extension of time is filed by the stated date, the case will be dismissed.

1) Please provide an explanation of how the construction of the sewer system was originally financed.

2) Provide a breakdown of Account 923, Outside Services Employed.

3) Included in the detail analysis of the 1981 income is an amount of \$50.86 identified as interest earned on savings account. Included in Account 419, Interest and Dividend Income on page 8 of the 1981 annual report is a similar amount. It would appear that interest income in the amount of \$50.86 may have been reported twice in the 1981 annual report. Please explain.

4) It has been noted from the detail analysis of the 1981 income that the utility charges a \$600 per home hook up fee.

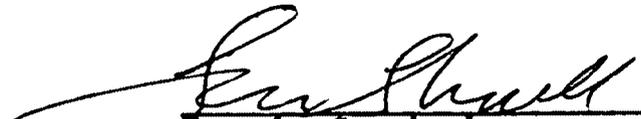

Please explain what that service charge covers. Also, identify the expenses incurred by the utility in connection with the hook up of the two homes during 1981 and explain where in the 1981 annual report these expenses would be reflected,

5) Provide a schedule indicating the hook up charges or similar fees charged in all prior years of operation.

6) Provide a schedule indicating anticipated customer growth in the next 12 months.

Done at Frankfort, Kentucky, this 4th day of November, 1982.
