O R D E R

On May 25, 1984, the Commission entered an Order in Administrative Case No. 273, An Inquiry into Inter- and Intrastate Competition in Toll and Related Services Market in Kentucky. At pages 32-37, the Commission identified regulatory requirements for interexchange carriers providing telecommunications services in the Commonwealth. Specifically at pages 33 and 34, the requirements for certification for public convenience and necessity were outlined. In that this application was received prior to the determination of specific requirements, the Commission requests Allnet to review these requirements and make amendments to its application as necessary.

IT IS THEREFORE ORDERED that Allnet shall amend its application for a certificate of public convenience and necessity to comply with the regulatory requirements identified in the Commission's Order in Administrative Case No. 273, dated May 25,

1984, for interexchange carriers in the Commonwealth of Kentucky  
by July 6, 1984.

Done at Frankfort, Kentucky, this 21st day of June, 1984.
