TAP-ON CHARGES FOR WATER SERVICE)

O R D E R

On November 18, 1994, Sandy Valley Water District ("Sandy Valley") submitted its application to the Public Service Commission ("Commission") for authority to increase the following non-recurring charges:

| <u>NON-RECURRING CHARGE</u> | <u>CURRENT</u> | <u>PROPOSED</u> |
|--|----------------|-----------------|
| Return Check | \$ 10.00 | \$ 20.00 |

| Service Investigation (after hours) | 8.00 | 40.00 |
| Inspection Fee | 15.00 | 25.00 |

Sandy Valley, in its application, requested a deviation from the requirements of 807 KAR 5:011, Section 10(1)(c) and (1)(e) and Section 10(2), on the grounds that the Income Statement and other information required by Section 10 should not be required in this case. The proposed increases are intended simply to allow Sandy Valley to recover its actual cost. On December 9, 1994, the Commission issued an Order granting Sandy Valley's request to deviate from 807 KAR 5:011, Section 10(1)(c) and (1)(e) and Section

10(2). The application was considered filed on December 14, 1994, when all deficiencies were cured.

Sandy Valley provided adequate cost justification for each of the non-recurring charges proposed in the application. The increases will allow Sandy Valley to recover its cost.

After reviewing the evidence of record and being otherwise sufficiently advised, the Commission finds that:

1. The proposed charges are equal to the expenses incurred to provide the associated services.

2. The charges set forth in Appendix A to this Order, attached hereto and incorporated herein, are fair, just, and reasonable, and should be approved.

IT IS THEREFORE ORDERED that:

1. The charges in Appendix A are approved for services rendered on and after the date of this Order.

2. Within 30 days of the date of this Order, Sandy Valley shall file its revised tariff sheets setting out the charges approved herein.

Done at Frankfort, Kentucky, this 3rd day of February, 1995.
