Q R D E R

On January 25, 1995, the Commission received a joint petition for transfer of water service filed by Oak Hill Water Association ("Oak Hill") and the city of Somerset. The parties propose transferring Oak Hill water customers to the municipally owned water system. Oak Hill is currently subject to a Commission Order to merge in Case No. 9967¹ and subsequent enforcement proceeding for noncompliance with that Order in Franklin Circuit Court. After consideration of the requested action and being otherwise sufficiently advised, the Commission finds that this petition should be dismissed.

IT IS THEREFORE ORDERED that this case is dismissed without prejudice.
