O R D E R

On September 3, 1999, Kentucky CGSA, Inc. ( Kentucky CGSA ) filed a motion advising the Commission that it wished to withdraw its application in this case. Because Kentucky CGSA has been granted a Certificate of Public Convenience and Necessity ( CPCN ) to construct a cellular telecommunications facility at 1001 Cherry Blossom Way, Georgetown, Scott County, Kentucky, the Commission will treat the motion as a motion to cancel the CPCN.

Kentucky CGSA states that since the issuance of its CPCN by the Commission, it has learned of possible soil contamination at the site. Based on the motion and being otherwise sufficiently advised, the Commission finds good cause to cancel Kentucky CGSA s CPCN.

IT IS THEREFORE ORDERED that Kentucky CGSA s motion is granted and its CPCN to construct the above-mentioned cellular telecommunications facility is hereby cancelled.

Done at Frankfort, Kentucky, this 21<sup>st</sup> day of September, 1999.

By the Commission
