On October 14, 2008, Salt River Electric Cooperative Corporation ("Salt River") filed an application for a Certificate of Public Convenience and Necessity for its 2000-2011 Work Plan. 807 KAR 5:001, Section 8(3), provides, in pertinent part, that "[i]f [an] applicant's articles of incorporation and amendments thereto, if any, have already been filed with the commission in some prior proceeding, it will be sufficient if this fact is stated in the application and reference is made to the style and case number of the prior proceeding." Salt River's application refers to a prior proceeding in which it filed its articles of incorporation. However, Salt River refers only to Case No. 1992-00560, not the case style. The Commission's database lists the case style for Case No. 1992-00560 as: "Application of Salt River Electric Cooperative Corporation to Adjust Electric Rates."

Upon its own motion, pursuant to 807 KAR 5:001, Section 4(3), and pursuant to 807 KAR 5:001, Section 14, the Commission HEREBY ORDERS that:

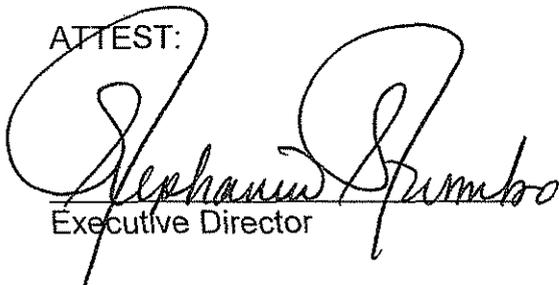

1. Salt River is granted a deviation from 807 KAR 5:001, Section 8(3).

2. Salt River shall not be required to file an amended application in Case No. 2008-00441 to comply with all requirements of 807 KAR 5:001, Section 8(3).

Done at Frankfort, Kentucky, this 30th day of October, 2008.
