

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF WATER SERVICE	)	CASE NO.
CORPORATION OF KENTUCKY FOR A	)	2015-00382
GENERAL ADJUSTMENT IN EXISTING RATES	)	

ORDER

On November 30, 2015, Water Service Corporation of Kentucky (“WSKY”) filed an application for an adjustment of its rates for water service. In its application, WSKY requested authorization to deviate from the filing requirements of 807 KAR 5:001, Section 16(n), which requires the filing of a summary of the utility’s latest depreciation study. The application proposed that the new rates become effective on December 30, 2015.

On December 9, 2015, the Commission issued an Order granting the requested deviation and accepting the application for filing. In its Order, the Commission found that the proposed rate’s earliest possible effective date was January 8, 2016. It further found that, pursuant to KRS 278.190(2), this effective date should be suspended for five months to allow the Commission sufficient time to investigate the reasonableness of the proposed rates. However, when ordering the rate suspension, the Commission incorrectly stated the rate’s earliest possible effective date as January 8, 2015.

The Commission, on its own motion, finds that ordering paragraph 1 to its December 9, 2015 Order should be amended to reflect the January 8, 2016 effective date.

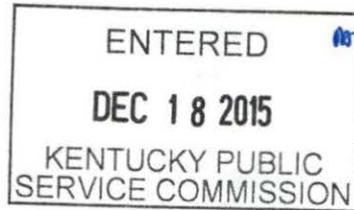

IT IS THEREFORE ORDERED, *nunc pro tunc*, that:

1. Ordering paragraph 1 to the Commission's December 9, 2015 Order is amended to read:

The proposed rates set forth in WSKY's application are suspended for five months from January 8, 2016, up to and including June 7, 2016.

2. All other provisions of the Commission's December 9, 2015 Order not in conflict with this Order shall remain in full force and effect.

By the Commission
