Re: An Adjustment of the Electric Rates, Terms and Conditions of Kentucky Utilities Company – Case No. 2003-00434

Dear Ms. O'Donnell:

Pursuant to the Commission's Order dated June 30, 2004, in the above-referenced proceeding, Kentucky Utilities Company ("KU") files herewith an original and four copies of its electric tariff P.S.C. No. 13 canceling P.S.C. No. 12.

On November 29, 2003, KU filed proposed revised tariff sheets with the Commission. The enclosed tariff sheets reflect the rates prescribed in the Commission's Order in the above-referenced proceeding, with the following necessary text-only revisions:

1. The reference to the Value Delivery Surcredit Rider was made consistent throughout all of the electric rate schedules.
2. Reference to Demand-Side Management Charges was removed from Rate AES, Rate MP, Rate LMP-TOD, Rate LI-TOD, Rate ST. LT, and Rate P. O. LT. (Sheet Nos. 15, 30, 35.2, 38.1, 40.2 and 41.33), as DSM charges are not applicable to these rate classes.

Also filed herewith are four copies of a letter to KU's special contract customer setting out the revised rates contained in the Commission's June 30, 2004 Order in the above-referenced proceeding.

Please contact me if you have any questions concerning this filing.

Respectfully,

Michael S. Beer
Vice President, Rates and Regulatory
