RESPONSE TO ATTORNEY GENERAL'S SUPPLEMENTAL REQUESTS FOR INFORMATION
IN ADMINISTRATIVE CASE NO. 2005-00186 DATED DECEMBER 13, 2005

1. State whether your company has changed any tariffs applicable to plans described, named, or marketed as "unlimited", as previously identified in your responses to the Commission's first data request, since the date of the Commission's first set of Data Requests, and if so, please attach/enclose copies of same.

Response: No tariff changes were necessary as a result of our earlier responses.

2. With regard to any such plans, state specifically whether the word "unlimited" refers to minutes of use, area(s) of calling, or both. If the word "unlimited" modifies any other term(s) in the applicable tariff(s), please identify the term(s) so modified.

Response: Minutes of Use

3. With regard to any such plans, state:
 - a. whether the tariff indicates that a penalty of any type or sort (including relegating the customer to a different plan) may apply in the event the customer exceeds any limitation on number of minutes included in the plan;
 - b. the nature of the penalty;
 - c. whether the penalty has ever been imposed;
 - d. whether notice of the penalty is provided to the consumer, and if so, identify precisely where in the tariff or other materials (including but not limited to contract, advertising or marketing materials) any such notice is located, and cite the complete language of any and all such notice(s).

Response: Access tariff does not indicate any penalties as there are no limitations noted for our unlimited options.
