RE: ULH&P's Motion for Confidential Treatment
Case No. 2005-00191

Dear Mr. Finnigan:

The Commission has received your petition filed May 13, 2005, to protect as confidential certain information relating to volumes of gas proposed to be purchased through use of hedging instruments. A review of the information has determined that it is entitled to the protection requested on the grounds relied upon in the motion, and it will be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Beth O'Donnell
Executive Director
